

QUISENBERRY ENTERPRISE

would like to remind you:

You're Enough

People search for riches or a hero to bail them out. Because the world tells you you're not enough, so you begin to doubt.

You have everything within yourself, to achieve true success. Trust me when I say, it's been waiting on your request.

You were created for a purpose only meant for you. How hard you're willing to work determines what comes true.

So stop stalling and debating. Start grinding and creating. You're enough to accomplish your dreams, no matter how difficult it seems.

Do yourself a favor, despite what others may say, and follow these simple directions. I am asking you to obey.

Turn on the light. Open your eyes. Look in the mirror. Can you see your hero now? The image should be clearer.

UNIQUE PROPOSALS

The Missing Piece

Why UP?

Unique Proposals, at it's core, is a people program that aids young people, professionals, and individuals with elevated success in areas such as leadership and effective communication. Adding value to those dealing with the day-to-day challenges they may face. Unique Proposals focuses on each individual or organization's main purpose.

UP's philosophy teaches how self-leadership creates positive influence. Research confirms that quality life coaching, leadership, and mentoring relationships have powerful positive effects on people and organizations in a variety of personal, academic, and professional situations.

Ultimately, Unique Proposals connects individuals to personal growth and development, and social and economic opportunity. Yet one in three people will grow up without this critical asset.

Wobbly Willie

Ambassador For Kindness

Kindness Matters

WHAT WE DO

We travel to schools, events, and organizations with a team of dynamic and inspirational leaders to deliver Wobbly Willie's message about kindness. We create personalized programs for schools and organizations that wish to make Kindness an important part of their everyday culture.

OUR MISSION

To inspire, educate, and motivate individuals to understand that kindness matters. We want to empower individuals with the tools and support to boost each person's confidence, while being prescribed new ways of embracing others differences and administering kindness.

WOBBLY'S VISION

The Wobbly Willie Kindness Matters Program is based on the belief that everyone has the capacity to be kind, and that kindness can be cultivated through awareness and education in a variety of venues including schools, workplaces, neighborhoods, and communities.

OUR MISSION

Our mission is to assist student-athletes in making their dreams come true by helping them write a better story that allows for their intellectual, athletic, and human potential to be showcased.

WHY GOLDEN RECRUIT

We are frequently asked about our personal experiences when it comes to recruiting. There are a thousand questions that could be asked about the recruiting process and we have found that one topic seems to be the focal point... being different. We want to be able to be the difference that makes a difference with each student athlete. Serving others is our calling and sports has become the vehicle to do so. Knowledge is power, but specific knowledge can be life changing. Allow us to be your student athlete's personal guide to knowledge, growth, and success.
